

Brief

Venture car hire rent out luxury vehicle to a membership group and also to the general public.

Some vehicles are prestigious and reserved for membership lease only, lease to non-members can be allowed but should be authorised by the onsite supervisor and a deposit, relative to the value of the vehicle, should be taken.

There is a mechanism in place that shows a message but is not properly visible to the computer users and we require a message to be displayed to the screen in its own console window.

The message should be like bellow.

****ALERT****

Lease of the Lincoln MKZ is reserved for member only.

For non-members this requires a completed non-member lease override form from supervisor J Roberts and \$2500.99 deposit.

Failure to follow these steps will result in disciplinary procedures and possible termination.

Parts of this message will change according to the vehicle and store, make these parts variables so they can be modified for vehicle and store.
