Brief

Create a console application that when run on start-up will display an info message from the company when users login, in the following format:

> TooCool Systems Ltd
>
> Please read and agree to the T&Cs before using the awesome IT services at TooCool.
>
> T&Cs are currently version 2.3, ensure you have viewed the latest copy as changes come into effect on publishing.
>
> CEO
>
> Garry Goodspeed

Some values in this memo will change periodically so ensure that the following values

are parameterised to allow quicker updates:

Company name -	This memo system may be used in subsidiary companies and branches.
T&Cs version -	Currently 2.3, however, these are reviewed and updated regularly.
Position title -	Depending on the subsidiary the tile may change.
Sender -	Depending on the subsidiary the tile may change.
